The Editor Says

This year we decided to use a definite theme for the 1958 Lisbonian - the interdependence of the school and the community. We are all aware of the coincidence of a good school and a well-managed, thriving town, so in this issue of our yearbook we are showing several scenes of our growing community. We at Lisbon High are proud of our town and its people. We feel most fortunate in having such a modern and efficient school with necessary facilities to help us become tomorrow's active and constructive citizens. The several courses in our curriculum are helping to train us to do the things for which we are best suited. We are learning and practicing many of the basic skills as well as gaining knowledge in how to adjust to our complex society. For our school and all its advantages we sincerely thank the citizens of the town of Lisbon.

Senior Play

The Diary of Sarah Sears, a romantic comedy in three acts, was presented on November 9, 1957 by the Senior Class.

The action centers around Sarah Sears, a lonely spinster, who is seemingly satisfied with her drab life until her young niece, Doris Evans, probes into her secret thoughts, by reading, you guessed it, her diary.

By a series of flashbacks we see Sarah courted and later deserted, by Lee Dawson, on her wedding day. Soon things take a turn for the better when her former suitor returns and renews his intentions. Events move rapidly and the curtain closes on the traditional happy ending.

Due to the hard work of the cast and the excellent coaching of Miss Varney, we had a successful play.

Varsity Baseball

Coach Stan Dougherty's Lisbon High baseball team and Winthrop High went into the final game of the season tied for the Kennebec Valley Conference title. However, Winthrop proved the stronger, winning the deciding game against our Greyhounds, 19-1.

An extra added attraction was a game with the Colby Frost team. Colby had racked up wins over every opponent but were forced to come back against the Grey's. Dick Kinney held them in check for four innings while Lisbon held a slight lead. Colby's power came through and they eventually won, 11-0.

Leading the '58 Greyhounds in batting was Dick Kinney with a hefty .440. Other players batting over .300 were Dave Morin, .332 and Butch Curtis, .328. Dave Morin led in R.B.I. with 10. Dick Kinney, Ed Bowen, and Butch Curtis were the big three in the pitching department.

Coach Dougherty says that '58 will be a building year with only four returning lettermen.

Lettermen that graduated in June were Tom Soychak, Dick Kinney, Butch Curtis, Roland Wadock, Glen Gamrat, Don Jordan, and Gene Brown.

Dave Morin '58

Coach Frank Dantorth's 1957 edition of the Lisbon Greyhounds opened a nine-game slate with a night game against Biddeford High School. Lisbon's football winning streak of 25 straight wins over Maine rivals went by the board as snarling Biddeford rallied in the final period to win, 7-0. After the first defeat, the Greys downed tough Buxton High, 13-7, in a nip and tuck battle. A few days after Lisbon had beaten Biddeford, some of the players came down with the Asiatic flu. This made it necessary to postpone and re-schedule a couple of games. Thus, weakened by illness, injuries, and inactivity, Lisbon was overpowered by Boothbay. They then lost to a mighty Wintrop eleven. The final game of the season was played on the new athletic field and Lisbon came through with a resounding victory over Williams High, 20-6.

Any way you look at it, this was a rebounding season for Coach Dantorth. It appears, though, that LHS should come up with a championship team in the near future.

We wish to express our appreciation for having played under a coach like Mr. Dantorth and with such a great group of fellows.

Best of luck to the coach and boys in their grid tangles in '58.

Graduating lettermen are, Nate Garnett, Frank Starbird, Cliff Bickford, and Dave Moran.

Basketball Action

Varsity Basketball

The 1957-58 basketball squad, under coach Frank Danforth, had a good season although it was a losing one. The Greyhounds won but five games and lost fourteen during the regular season and lost another during the tournament to Boothbay Harbor.

The Greyhounds could not equal last year's record, but they showed the Lisbon spectators a lot of aggressive ball playing throughout the season. Next year's five will be without this year's three top scorers.

Lisbon had a very odd procedure of trailing the teams they lost to, by only a few points at half-time but failing to keep up with them in the third and fourth quarters. Interesting highlights of the year was Frank Starbird tying the record for most points scored in one game (36) set by Dick Kinney last year. Another was the heartbreaking game between Lisbon and Bridgton. Bridgton had smothered the Greyhounds in their first encounter but Lisbon played hard and clean basketball, all to no avail as they were nudged, 47 to 51.

Frank Starbird was the individual high scorer totaling 225 points for a 16.8 points-per-game average. Ed Elcik also hit triple digits with 194 points for a 9.7 points-per-game average.

Graduating lettermen are: Frank Starbird, Ed Elcik, and Bruce Dupal.

The outlook for next year's team is good and we want to thank coach Danforth for all his help (and patience) and wish him the best of luck with his returning lettermen.

Coach Stan Doughty's J. V. team finished the season with a record of five wins, twelve losses. An especially exciting game was held on the homecourt between the Lisbon and Bridgton J. V.'s. The final bell sounded with Bridgton out in front 31-30. Another close battle was fought with the Brunswick team, who won 32-27.

Added assistance was given to our junior varsity team when several of the freshmen on the varsity squad were sent down to help out. These hardworkers were Gary Janesko, Steve Drottar, Jackie Gamache, and Bill Gartley.

Although the '57-'58 season was not as successful as in the past years, the team's spirit was good, and next year's squad is expected to make a better record. Thanks to Mr. Doughty for his time and effort spent in coaching the junior varsity.

GIRLS' BASKETBALL

Due to the excellent coaching of Miss Mary Young the girls had a very successful season, winning eleven games and losing only five. No game was lost by more than two points.

The outlook for next year is very good since the two high scorers, Sandra Terrell and Ingrid Stein, are returning to action and Joan Garboiz is the only senior to leave.

The junior varsity was comprised entirely of freshmen and sophomores. They won none and lost three games, but gained valuable experience. Our appreciation to Miss Fitton for her help in coaching the team.

Junior-Senior Prom

The class of 1958 depicted scenes of a Hawaiian Sunset as a setting for its annual Junior-Senior prom.

The huge stage formed the horizon on which a golden sun dipped from view amid waving palm trees, trailing hibiscus, and graceful, though stationary, seagulls.

Centered in the auditorium under a sky of colored streamers, more palms, flowers, and a restful glider awaited the dance-weary couples who wanted just one more snapshot before the activities ended.

It was a gala evening made merry by the dancing tunes of Bert Cote and his orchestra.

Coronation Ball

The 1958 Coronation Ball, depicting a gorgeous winter wonderland, was one of the most colorful and enjoyable social events of our high school days.

A beautiful white satin throne was centered on the stage and the entire gymnasium glowed under gaily colored paper festoons. Smiling snowmen and pouting penguins watched from the sidelines and graced the royal couples' table at the rear of the gymnasium.

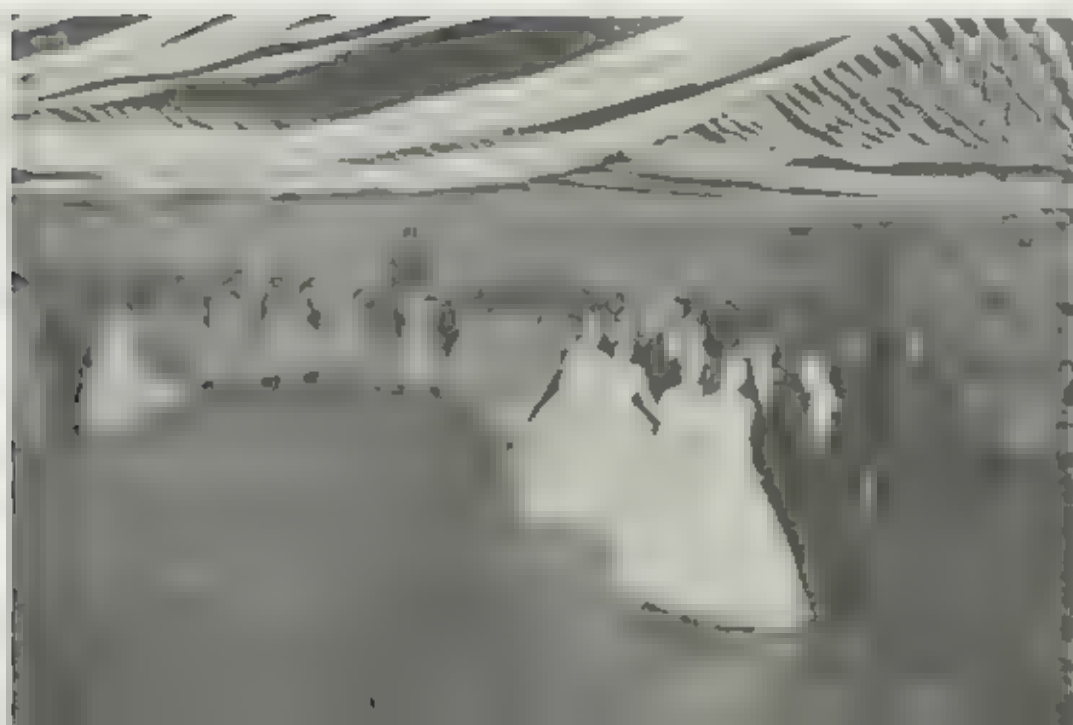

The candidates consisting of Joan

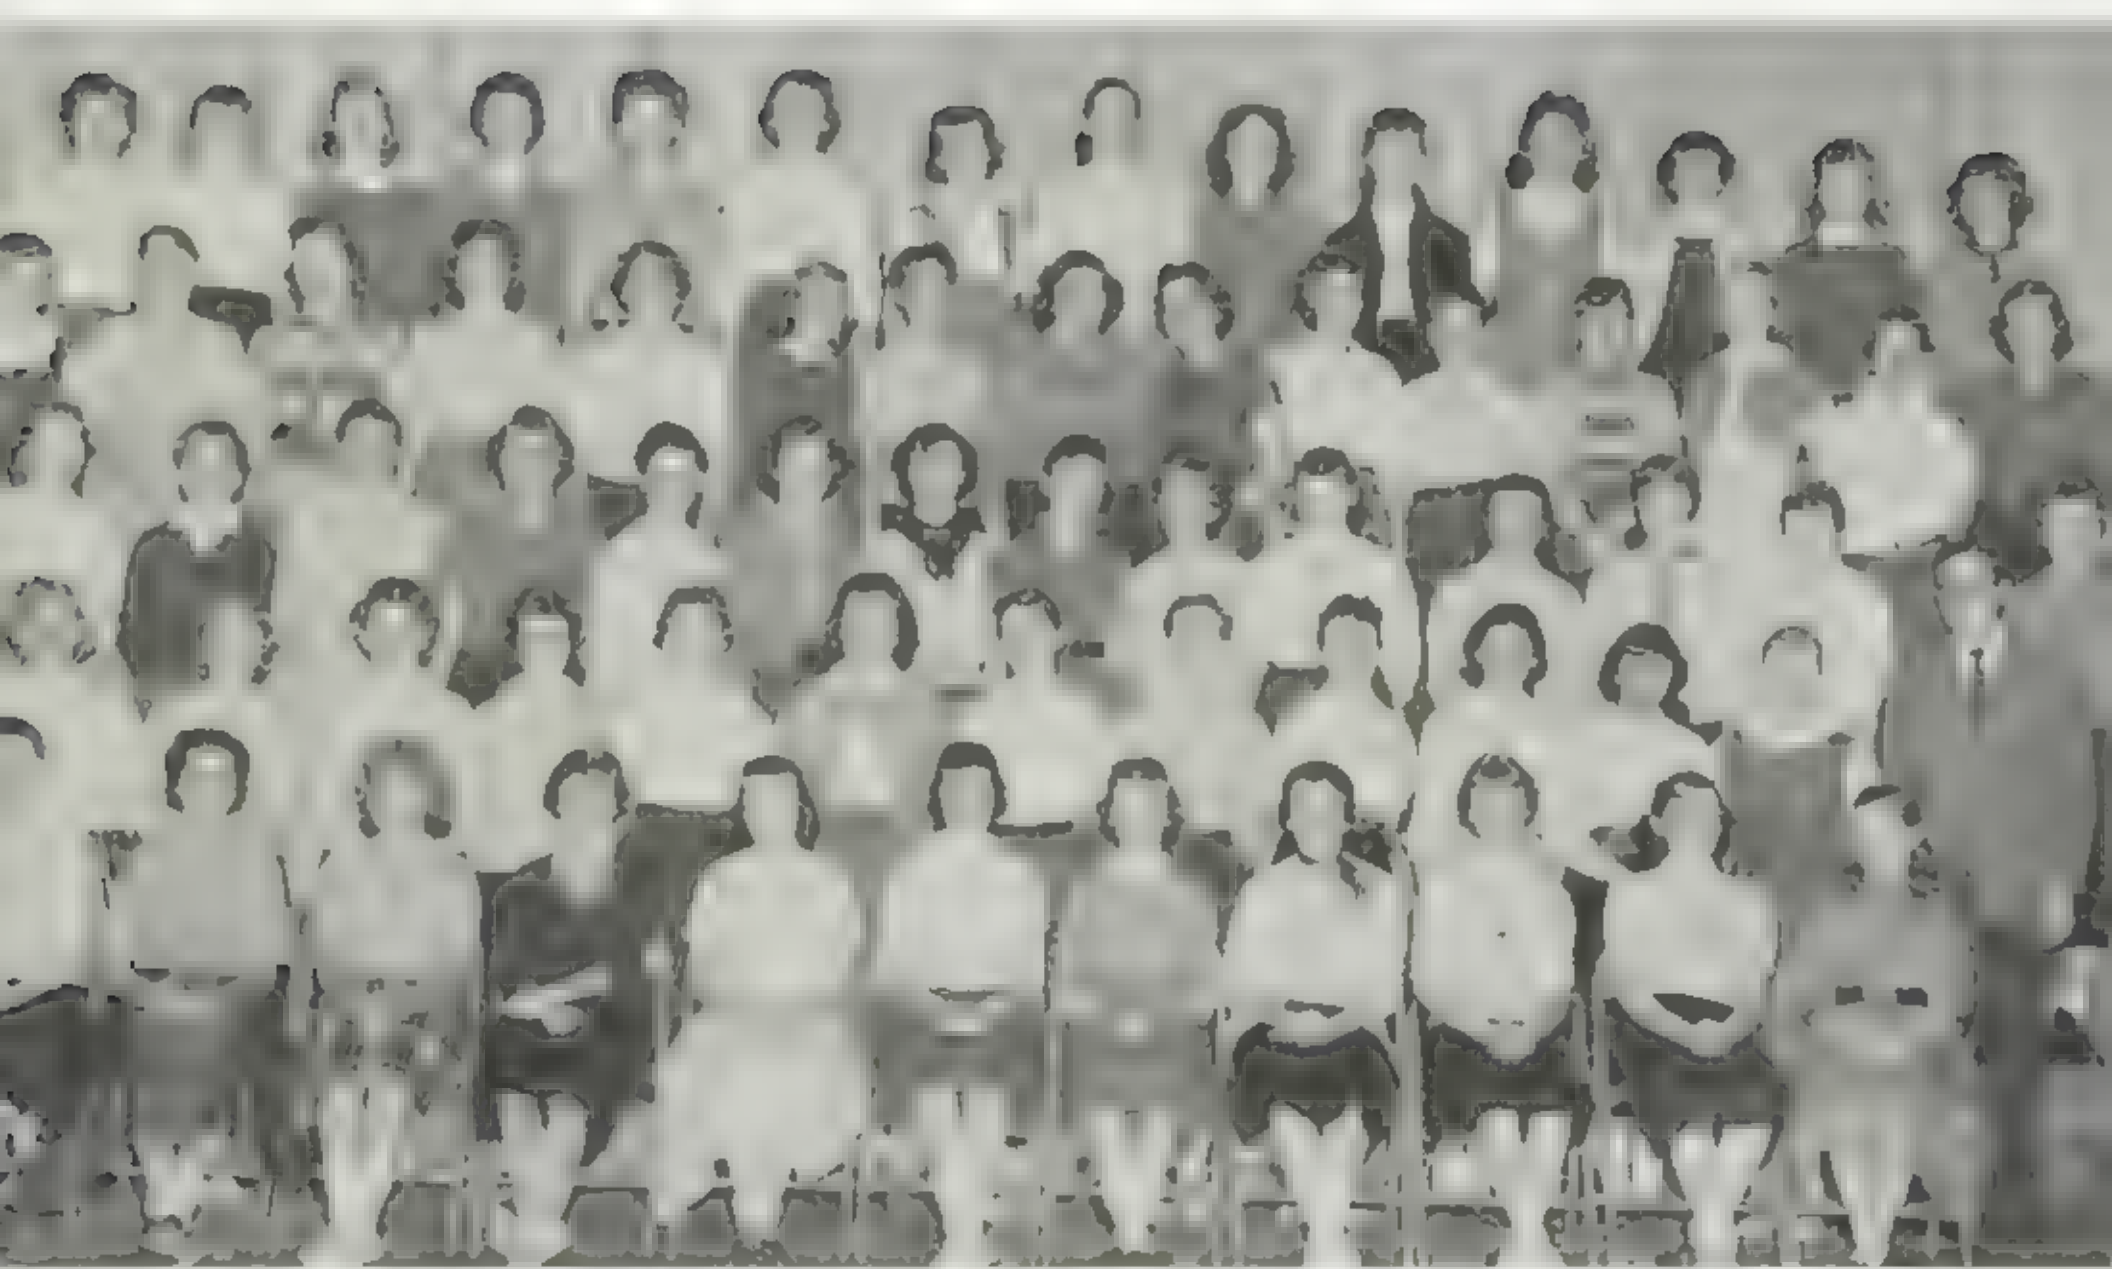

Garbotz, Bonnie French, Patricia Popadak, Germaine Poulin, Constance Lucas, Clifford Bickford, David Morin, Guy Williams, Robert Albert, and Frank Starbird, marched to the stage where the herald proclaimed Joan Garbotz and Clifford Bickford our new king and queen.

Last year's royal lady, Carole Tardiff, performed the coronation ceremony.

Dancing to the music of Ronnie Ducette's orchestra completed the evening's festivities.

Future Homemakers of America

A meeting of the F. H. A. members was held in November to elect the officers and to organize the club activities for this year. The following officers were elected, Shannon Breton, President, Donna Huston, Vice President, Linda Russell, Secretary, Marie Mason, Treasurer, Joanne Bichrest, Parliamentarian, Gloria Card, Historian, Claire McCarthy, Reporter and Juanita Russell, Song Leader.

Under the guidance and direction of our advisor, Miss Abbott, the girls have enjoyed such activities as a "Welcome Freshmen Supper," a District "E" convention at Gould Academy which twenty-six girls attended, and a good-will project.

We are very proud to have had our candidate, Martha Gerlek, elected to the state office of vice chairman. Our goal for this year is to improve our parliamentary procedure.

Band

Our band consisting of thirty-seven members started the year by playing for all the home football games.

In the near future we shall participate in two concerts, the first at Freeport and the other will be in combination with Bath, Brunswick, and Freeport. We are making preparations to play for the County Teachers' Convention at Lisbon Falls, on March 25. Next May we journey to Bath for the annual Music Festival.

We complete our school year by furnishing the music for the Memorial Day and Graduation Exercises.

The L. H. S. majorettes are composed of Shirley Merrill, Irene Aube, Connie Poulin, Margaret Ross and Nancy Bowie. Nancy Bowie was elected head majorette this year. They accompany the band to all the parades, football games, and concerts.

Do You Recognize These Alumni?

Fight, Fight, Fight, Fight!
For good old Black and White!
Our slogan must be victory.
We have the students that we
love so dear,
And our favorite faculty.

Rah! Rah!

We have a team that is sure to
win the game.
And a coach that sure is tops.
So when we set out to win,
We will never give in.
Here's to Lisbon High.

Rah! Rah!

In Grateful Appreciation

Our sincere thanks to our many friends and our parents whose loyal support has helped us to obtain an education. To our teachers from kindergarten through high school, who have guided us in the paths of learning, we express our gratitude. We extend our appreciation to the superintending school committee members, past and present, who have supplied our good schools. Our hearty thanks go to our advertisers and we urge you to patronize them. Thank you, Almon's Studio and Al Stowe, for your generous help with our photography. We are very grateful to Mrs. Elizabeth Gilman, our year-book advisor, for her help and direction in compiling our 1958 Lisbonian.
